CLASSIC AND CONTEMPORARY

For centuries, marble has been an inspiration to architects and sculptors.

It is a very noble material that fascinates with its elegance and all that it means. We have created a series of collections of ceramic marble that capture the historical essence of marble, but adapting it to contemporary aesthetic trends.

A design with the seal of elegance that only the real classics possess. Everlasting and eternal.

The krystal surface enhances and promotes the brightness and vibrancy of colours. The natural surface gives concreteness and materiality to the graphics. **Digital Plus technology best expresses the graphic and aesthetic characteristics of the products, enhancing their technical and visual quality.**

La superficie krystal esalta e favorisce la luminosità e la vivacità dei colori. La superficie natural dona concretezza e matericità alla grafica. **La tecnologia Digital Plus esprime al meglio le caratteristiche grafiche ed estetiche dei prodotti, elevandone la qualità tecnica e di resa visiva.**

Die Krystal-Oberfläche verstärkt und fördert die Leuchtkraft und Lebhaftigkeit der Farben. Die natürliche Oberfläche verleiht der Grafik Konkretheit und Stofflichkeit. **Die Technologie Digital Plus bringt die grafischen und ästhetischen Merkmale der Produkte am besten zum Ausdruck und steigert ihre technische und visuelle Qualität.**

La superficie krystal rehausse et amplifie la luminosité et l'éclat des couleurs. Cette superficie naturelle donne un aspect matérique et concret au graphisme. **La technologie Digital Plus est l'idéal pour exprimer au mieux les caractéristiques graphiques et esthétiques des produits, améliorant leur qualité technique et leur aspect visuel.**

Кристаллическая поверхность усиливает и способствует яркости и живости цветов. Естественная поверхность придает рисунку конкретность и материалность. **Технология Digital Plus наилучшим образом выражает графические и эстетические характеристики продукции, повышая ее техническое и визуальное качество.**
